

# Virtual Leadership Networks

## *Parental Engagement with a focus on ASN*

### Tuesday 1st March - 3.45pm - 5pm

The West Partnership is delighted to offer the fifth of this session's Virtual Leadership Network (VLN) events which are focused on different aspects of inclusion and supporting learners with additional support needs. This VLN is for leaders in any sector.

The feedback from VLN 1 indicated that it would be useful to take a more in-depth look at parental engagement in the context of ASN. We are delighted that Susan Doherty, Development Officer for Family Learning at Education Scotland will be joining us.

During the session you will:

- find out more parental engagement in this context; and
- explore what it means for you.

## NEED TO KNOWS

This session is for you if you have a leadership role with a remit that includes inclusion and supporting learners with additional support needs.

This session will take place on TEAMS on Thursday 17th February between 3.45pm - 5.00pm.

You don't need to be logged into GLOW to participate.

This is a great opportunity to network with and learn from leaders in other local authorities.

It is relevant for leaders in all sectors.
