

Virtual Leadership Networks

Autism

Tuesday 3rd May - 3.45pm - 5.00pm

The West Partnership is delighted to offer the seventh of this session's Virtual Leadership Network (VLN) events which are focused on different aspects of inclusion and supporting learners with additional support needs. This VLN is for leaders in any sector.

The feedback from VLN 1 indicated that it would be useful to take a more in-depth look at autism. We are delighted that Hayley McMurray who is the Development Officer for Autism and Inclusive Practice with Education Scotland will be joining us.

During the session you will:

- hear about recent developments in autism knowledge, understanding and approaches to support; and
- explore what these developments mean for you and your setting.

NEED TO KNOWS

This session is for you if you have a leadership role with a remit that includes inclusion and supporting learners with additional support needs.

This session will take place on TEAMS on Tuesday 3rd May between 3.45pm - 5.00pm.

This is a great opportunity to network with and learn from leaders in other local authorities.

You don't need to be logged into GLOW to participate.
